[REDACTED] Acting Chief, Control Staff (OBR), discussed the mission and function of his staff. It controls dissemination of intelligence published by this office and acts as the office channel for matters of special intelligence. In order to obtain the best results in the dissemination of office reports, the control staff is interested in learning of particular components or persons outside of the office that should receive specific OBR reports.

Agenda:

25 March - Current items  
at 1400.
